

Acknowledgments

A great many people helped in the composition of the book and we are grateful to all of them. We thank Ziv Hellman, the devoted translator of the book. When he undertook this project he did not know that it would take up so much of his time. Nevertheless, he implemented all our requests with patience. We also thank Mike Borns, the English editor, who efficiently read through the text and brought it to its present state. We thank Ehud Lehrer who contributed exercises and answered questions that we had while writing the book, Uzi Motro who commented on the section on evolutionarily stable strategies, Dov Samet who commented on several chapters and contributed exercises, Tzachi Gilboa, Sergiu Hart, Aviad Heifetz, Bo'az Klartag, Vijay Krishna, Rida Laraki, Nimrod Megiddo, Abraham Neyman, Guni Orshan, Bezalel Peleg, David Schmeidler, Rann Smorodinsky, Peter Sudhölter, Yair Tauman, Rakesh Vohra, and Peter Wakker who answered our questions, and the many friends and students who read portions of the text, suggested improvements and exercises and spotted mistakes, including Alon Amit, Itai Arieli, Galit Ashkenazi-Golan, Yaron Azrieli, Shani Bar-Gera, Asaf Cohen, Ronen Eldan, Gadi Fibich, Tal Galili, Yuval Heller, John Levy, Maya Liran, C Maor, Ayala Mashiach-Yaakovi, Noa Nitzan, Gilad Pagi, Dori Reuveni, Eran Shmaya, Erez Sheiner, Omri Solan, Ron Solan, Roe Teper, Zorit Varmaz, and Saar Zilberman. Finally, we thank the Center for the Study of Rationality at the Hebrew University of Jerusalem and Hana Shemesh for the assistance they provided from the beginning of this project.
